

Job Opportunity

Psychologist

Nourish is expanding and I am looking for a psych who is willing to come on this journey

Gone are the days of “diabetes is a progressive disease.....”. At Nourish, we are about encouraging and empowering our community so they receive better diabetes care resulting in positive outcomes.

I am looking for a psychologist who is willing to go above and beyond to provide a high quality diabetes service. If you have empathy, enthusiasm and eagerness to help lead the way to make Nourish the best diabetes hub in Adelaide, apply now!

Position

- Sub - contractor, with potential to increase to part time employment for the right person

Essential Criteria

- Full registration as a psychologist with the Australian Psychological Society (APS) and the Australian Health Practitioners Regulation Agency (AHPRA)
- Experience working as a psychologist in the area of chronic condition management and behaviour change
- Demonstrated experience in the delivery of high-quality evidence-based psychological treatment programs, with a focus on chronic conditions, preferably including diabetes.
- Experience in implementing psychosocial interventions with clients to effect lifestyle and behaviour change.
- Demonstrated ability to work independently, applying professional judgement on routine matters
- A sound knowledge of the goals of diabetes management
- Expertise in behaviour change, diet modification and diabetes related anxiety and distress
- Demonstrated knowledge of contemporary psychological assessment and psychotherapies as relevant for people with diabetes
- Knowledge of learning principles and client focused education
- Excellent clinical practice skills relating to chronic condition assessment and intervention
- Highly developed verbal and written communication skills
- Well-developed interpersonal skills to work as part of a multidisciplinary team
- Excellent organisation and time management

Desirable

- Experience using HICAPS and medical software programs
- Good understanding of Medicare and private health policies

Bonus perks

- Work with other likeminded allied health professionals
- Opportunities to grow within a rapidly expanding multi-disciplinary team
- Nourish is committed to employing people from diverse backgrounds and providing a workplace free from discrimination and harassment

How to apply

- Address your application to Rebecca Greco
- Application must include a cover letter (max. one page), which outlines your suitability for the role having reference to the essential and desirable (if applicable) criteria above
- Current, tailored resume (max. two pages) including the name and contact details of your two most recent places of employment
- Applicants must be available to work in Australia and available for immediate start

Applications close 30th September 2021. Please send your cover letter addressing the above criteria (max 1 page) and resume to nourish@nourishadl.com.au
